Michael's routine

In the morning I get up at half past seven when I have classes. On Saturdays and Sundays I don't have classes, so I wake up at half past eight. I always have a shower, brush my teeth, comb my hair and get dressed. I usually have breakfast at eight at home. I usually go to school by school bus. I never walk to school. When it rains, my father drives me. At half past eight I sometimes have Maths and at ten o'clock I have a break. I have a sandwich and a cake. I always talk with my classmates. In the afternoon I often go back home on foot and have lunch with my parents. I sometimes have lunch at the school canteen except on Fridays and, of course, at the weekends. I don't like canteen food. After lunch I do my homework and I study my school subjects for an hour. Then, I play with my friends or I play computer games until seven o'clock. I go to the gym twice a week. Before dinner I watch TV. I always have dinner at half past eight in the evening. After dinner I help my mother. I brush my teeth again. At night I put on pyjamas and go to bed.
